Travel eID App

Your Digital ID Card

Travel eID

Available on :

What is eID?

eID is a Digital Identification Card that verifies the authenticity of your employee's employment identity during the COVID-19 pandemic.

The eID card lets your staff get to work as an essential services worker without delay or restrictions.

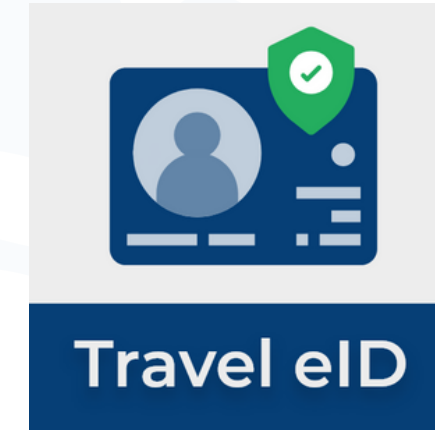

Who can use this?

All businesses that are classified by the Federal and State Government as Essential Services during the COVID-19 pandemic can use this Travel eID app.

This includes

- Aged Care Facilities
- Hospitals
- Health Care Settings
- Pharmacies
- Supermarkets/ Food shopping outlets
- Public Transport
- Airport Workers
